

Stevens Point Sculpture Park

Juried Call for Functional Seating Works

The Stevens Point Sculpture Park is accepting submissions of sculpture work to serve as functional seating along the Park trail. This includes chairs, swinging, benches, stools, etc. A local jury will choose pieces for permanent use in the Park.

Application Deadline: January 24, 2014

Artist Award: \$400 per piece for permanent use in the Park

A wide variety of work will be considered, however materials and scale must be appropriate for functional seating in an outdoor environmental location.

Sculptural submissions must be self-supporting: foundations or bases are not provided. Delivery and installation are the artist's responsibility (please identify and describe installation needs that are expected in application).

Artist submissions that are selected will receive \$400 for permanent use of their work.

For more information about the park or visitation requests, please contact us at pointsculpturepark@hotmail.com. Put "Juried Chair Show Question" in the subject line.

Artist may submit up to five pieces for consideration. Submissions must include the following information for each piece submitted:

- Artist Name; Address; Phone; Email
- Title of piece; Dimensions; Materials/Media
- Images—JPEG (1000 pixels on the long side)
- Artist's Statement
- Installation Requirements

The Stevens Point Sculpture Park, located in Central Wisconsin, is a 20-acre, city-owned park with nearly a mile of forested trails that are used year-round by people of all ages for biking, skiing, running and walking. The Park offers a wide variety of trees and geographic features including a pond, wetland, and forest. It is a zone 4-season (which includes cold winters and hot summers).

The Stevens Point Sculpture Park is committed to providing a welcoming and accessible outdoor venue for sculpture and arts exhibitions, activities, and educational programs by enhancing the cultural life of our community and surrounding region through a diverse program of education, collaboration and experimentation

The Park is located close to elementary, middle and high schools, and the University of Wisconsin-Stevens Point. The Park's trails connect to the Stevens Point Green Circle Trail, a nationally recognized 31-mile recreational corridor that encircles the Stevens Point Urban area (1993 National Park Service Award).
